

## NIR GRAIN ANALYZER DA-9000

### Technical Specifications :

- The instrument has a diode array technology
- Measures between the waves lengths of 908-1694 nm
- Has 10.1 inch size and 1280x800 pixel resolution touch-screen
- Analyzes grains without grinding.

- Analyzes wheat within 20 seconds.
- Ability to make direct analysis on powder products such as flour.
- Ability to make protein, moisture, ash, gluten and sedimentation analysis.
- There is no need to use any chemical during the analysis.
- The most suitable, reliable measurement type on moving products.
- The calibration of different grains can be added when it is requested as an extra option.
- When needed, standart sample can be sent for calibrating the instruments (in return of its cost).
- There is no need to purchase different devices for flour and wheat because it can analyze by replacing only sample container for grain products and powder products.
- It makes data exchange with the computer by means of 2.0 USB input.
- Ability to connect to the internet.
- Portable and can be used at field or laboratory.
- The liquid cooling fan system allows the analysis at the constant temperature.
- Has a heavy duty rechargeable built-in battery.
- The instruments is powered by 220 V and it can be charged.

### Important Note:

The calibration about red wheat, white wheat, durum wheat and wheat flour has been completed. The calibrations about other food and feed materials will be completed in time. Delivery can be between 8-12 weeks basedn on the optic eye manufacturer.

### Other Specifications

:

Volt/ Hertz	230v - 50/60hz
Device Dimensions	
W "mm" x L "mm" x H "mm"/Weight. kg	430 x 420 x 410mm / 12Kg
Package Dimensions	
W "mm" x L "mm" x H "mm"/Weight. kg	53 x 64 x 44 / 25Kg

## When you work with BASTAK you receive;

- ✓ Free technical consultancy for tailor made solutions,
- ✓ High quality instruments with free webinars and on-line trainings,
- ✓ Fast delivery of instruments, spare parts and consumables,
- ✓ Remote technical support (Audio and Video) six (6) days a week,
- ✓ Economical spare parts and consumables available in 10 years,
- ✓ Free factory visits, live tests and demos,
- ✓ On-Site Warranty and On-Site After Sales Service (for >20.000 USD orders)
